Friends of Architecture

YES!

I want to become a member of the American Institute of Architects, Santa Clara Valley Chapter's "FRIENDS OF ARCHITECTURE" and enjoy the many membership benefits, including outstanding architectural programs and special events.

Some of the benefits and opportunities I will receive are:

- Invitations to attend, at a discounted price, Chapter monthly programs. (Come and see what concerns the architects of the Valley, listen to speakers or panels on a broad range of topics.)
- AIASCV tours of new projects of the Valley.
- Invitations to design awards programs.
- Discounted rates for architectural education programs when the topic is of interest to you.
- A one-year complimentary subscription to the monthly newsletter TRACINGS. (Read articles of interest to non-architects.)
- Opportunities to participate in Chapter committees, i.e. Historical Preservation, Design Awards, Built Environment Education Program (B.E.E.P.) and many more.

Complete and return this membership enrollment form today.

Yes! I wish to join Friends of Architecture and I am not financially interested in the practice of architecture; public employees such as planners and building department members are eligible.
