

Project Manager – Retail Branch Banks

Tired of doing the same thing day in and day out with little of no say in the project? Want to work directly with the client while getting coaching from some seasoned veterans in the industry? If this sounds interesting to you then send us your resume.

We are currently seeking a talented individual to supplement our expanding retail branch bank practice. We offer competitive salaries, excellent benefits, plus a diverse and supportive work environment well suited to the developing professional. Candidates must be U.S. citizens or resident aliens holding a green card. Send your resume via e-mail to interiors@reelgrobman.com

Job Requirements: Minimum 10 years of experience in Corporate and/or Retail Interiors for an Architecture or Interior Design Firm. Must have a Bachelors Degree in Architecture or equivalent 4-year degree and be proficient in AutoCAD, MS Word, Excel, Powerpoint and Project. LEED accreditation is desired.

Job Description: The ideal candidate should be a true “renaissance” person – someone with a good balance of design, technical and communication skills. This position requires someone who is capable of leading a team and is also willing to work on their own, when necessary. He/she must be a self-starter, design conscious and detail-oriented at the same time. Must have a good working knowledge of accessibility, building and life safety codes. Emphasis for this position is on communications with the client as well as internal and external team members including outside consultants. This candidate must demonstrate solid design skills including familiarity with colors, materials and furniture (building core/shell skills a bonus) with an interest in helping to promote the value of good design to the client. This candidate will report directly to the Principal-in-Charge who will provide individual mentoring and guidance. Note: This is not a part-time position.
